Get Your Team Together...

As Diamonds & Dirt Barrel Horse Classic enters our 8th year we would like to thank you and the team for your support of
Diamonds and Dirt Barrel Horse Classic
OFFICIAL PONY RACE.

Is your pony able to leap tall buildings with a single bound??
How about run a barrel pattern???

This is an opportunity to shine with your
High Stepping, Fast Running Itty-Bitty (under 54") Steed.

This year we have convinced Shorty's Hattery to join in the fun. She will be donating a certificate to EACH member of the team raising the most money for charity.

Ask your neighbors, sponsors, friends and family to help your team win with a small donation!!

Our charity partner this year is **Kidz1stFund**. SEC National Championship Coach Jimbo Fisher (he is actually a former barrel racer) is the founder of **Kidz1stFund** and is raising awareness for Fanconi anemia, a rare blood disorder that affects his son, Ethan, and thousands of other children.
